

IEEE INDUSTRIAL ELECTRONICS SOCIETY

The Industrial Electronics Society is an organization, within the framework of the IEEE, of members with principal professional interest in electronics and electrical sciences as applied to control, treatment, and measurement of industrial processes. All members of the IEEE are eligible for membership in the Society and will receive this TRANSACTIONS upon payment of the annual Society membership fee of \$15.00 plus an annual subscription fee of \$30.00. For information on joining, write to the IEEE at the address below: *Member copies of Transactions/Journals are for personal use only.*
